

ATTACHMENT B

Amendments to the Specification

Please REPLACE the paragraph at page 9, lines 17-20 with the following amended paragraph.

Figure 5a depicts a targeted airplane and figure 5b illustrates a one or two person airplane game using the targeted airplane of figure 5a according to the invention, to further include inputs for triggering and scene change via movement sequences or gestures of a player. Also illustrated in fig 5c is a hand puppet game embodiment of the invention played if desired over remote means such as the Internet.

Please add the following NEW paragraph at page 10, line 6.

Figure 8b depicts how several objects can be attached to specialized holders that are then attached to a baseboard to create a single rigid collection mechanism.
